

2024 Advanced Placement Exam Registration Information

Late AP exam registration is beginning on February 1, 2024. AP exams are very expensive and take up extensive time for preparation and missed classes. They are not required for college applications (except when applying to UK schools). They take place right before final assessments and many students underestimate the pressure these added exams put on their schedule. Please be advised that the last week of AP testing is only 2 weeks before finals. Consider your end of term schedule carefully before registering.

Classroom grades are more important than AP exam scores for college applications. Each college has its own policy regarding AP credit, and some do not give any credit at all. In addition, College Board charges high fees for cancelled and unused exams. Students should consult with teachers or advisors if they are unsure about taking an exam. Students should not register for more exams that they are sure they will take. Please do not register for more than 5 exams.

Late registration runs February 1, 2024 – March 1, 2024 at noon. The cost of the AP exams is **\$138** per exam. The exams are given from **May 6– 17** with make-up exams given May 22-24 (See the schedule below.)

AP exam registration steps:

1. Sign into myap.collegeboard.org using your College Board account login. This is the same login used to access PSAT scores and register for SAT exams. If you don't have a student account click the link to create one.
2. Review the list of exam "Join Codes". Use these codes to register for exams. The student AP dashboard talks about joining course sections. Most Phillips Academy students will only be joining exams. If you are in a specific AP course, ask your teacher if there is a classroom join code.
3. Submit join codes for the exams you wish to take. Verify that you have selected the correct exam. You must "join" each exam separately. If using a classroom code, be sure you set the "Exam Decision Indicator" to yes.
4. Fill out the registration information in My AP the first time you select an exam. **Accurate information is important.** You will only need to supply this information once.
5. **Be sure to include your PA student ID number and PA student email address. Double check accuracy!**
6. The Phillips Academy school code for "the school you attend" is 220030
7. I will resolve any test date scheduling conflicts that may occur.
8. Fee payments will be processed by the Comptroller's Office in the spring.

The exam fees and cancellation policy are listed below. Exam fees will be paid through the Course Materials Fee included as part of tuition and are processed through a special account. You do not need to add funds to the Blue Card.

Late AP Exam Registration Fee Schedule:

Exams ordered from February 1, 2024 – March 1, 2024 at noon at noon: \$ 138.00 for **EACH** exam ordered

* Fee adjustments will be automatically made for financial aid and fee waiver eligible students.

Cancellation Policy:

Fall ordered exams cancelled between November 10, 2023 – March 29, 2024-Partial refund, account charged \$50 per cancelled exam.

After March 29, 2024 – No refund.

Spring ordered exams cancelled by March 1, 2024 - Full refund of the exam fee for each cancelled exam.

Spring ordered exams cancelled after March 1, 2024 – March 29, 2024-Partial refund, account charged \$50.

After March 29, 2024 – No refund.

If you have any questions about the AP registration process, please contact Debra Colombo at dcolombo@andover.edu.
