

# THREE EASY WAYS TO SHOW YOUR SUPPORT

Help Make PA Giving Day 2024 a success!

# 1

## Make a gift

Every gift counts, no matter the size. Demonstrate to your friends, classmates, or fellow families that you lead by example and make a gift yourself. Be among the first in your class or your student's class to support PA Giving Day.

**How:** Visit [andover.edu/PAGivingDay](https://andover.edu/PAGivingDay) between 9 a.m. on March 27 and noon on March 28 (EDT) and give for today's students.

# 2

## Become an advocate and share the campaign

Create a GiveCampus account and spread the good word! Your account will allow you to track your impact in real time. You may even become eligible for some incentives!

**How:** Use the buttons at the top of the campaign page to share via email, Facebook, LinkedIn, and X.

# 3

## Create a matching gift

Encourage your network to join you—matches of all sizes make a difference! You can match gifts dollar-for-dollar up to a fixed amount or a certain dollar amount per donor.

**How:** Look for the "Offer a Matching Gift" button on the campaign page for more information.
