Rising Stars is a bridge program designed to advance basic skills skaters to a more concentrated lesson curriculum. Skaters will learn more advanced technique and quality skills through three 20 minute groups. Each group will focus on a set of figure skating skills such as edges, stroking, spins, jumps, and axels.

This program is available for learn to skate students Basic Badge 4 and higher. Quality figure skates and skating attire is mandatory. These classes will be taught by senior level coaches and will focus on detail, quality, and technique.

For any questions, please contact our skating directors at 978-684-7203
